Chalkboard ABC: Learn The Alphabet With Reusable Chalkboard Pages! (Chalk It Up!)

Synopsis

Combining the popular chalk aesthetic with timeless subjects and beautiful art, Chalkboard ABC is appealing to both kids and their adults. This chunky, interactive book is perfect for little hands, featuring reusable "blackboard" pages, perfect for hours of write-and-wipe entertainment (and alphabet learning!). Each spread features two letters used in a sentence, for example, "Alligator rides a bicycle." On the left are lines to practice the letters, while the right features colorful original art by beloved children's illustrator Stephen Barker. The book includes 26 thick pages and 4 pieces of chalk, perfectly sized for little ones' fingers. Book wipes clean easily, to enjoy again and again.
