The Last, Long Night (#5 In The Bregdan Chronicles Historical Fiction Romance Series)

Synopsis

Can they survive the Last, Long Night of the Civil War? Historical fiction is my passion. I so love bringing history to life - the reason I dedicate most of my time to writing historical fiction books! The Last, Long Night is the fifth book in the ongoing Bregdan Chronicles historical novel series. It's readers like you who have turned it into a world-wide best-seller. Thank you! Description: The power of the Union army brings the South to its knees in surrender, but not until a year of intense pain and violence creates a chasm that may be impossible for the country to bridge. Carrie struggles to hold on to hope as the world caves in around her, hanging on to the promise she's been given. She also finally gets to reveal the secret she has held so close. Moses is gravely wounded in battle. Aunt Abby faces danger as she gets more deeply involved with women's rights, and spends time in Washington, D.C. Robert's plantation takes a severe loss, but is saved from burning by an unlikely source. Rose continues to thrive in the Contraband Camp and finally has a dream come true. Volume # 5 of The Bregdan Chronicles continues the sweeping saga that now encompasses the final year of the American Civil War. ** How many books will be in the Bregdan Chronicles? You'll have to ask God about that... I intend to write these character's stories, one year at a time, for as long as I'm able to write. I'm passionate about bringing history to life through historical fiction. Since I'm amazingly healthy, that could be for a very long time! I don't like stories to end any more than you do. This one won't end for a very long time! Ginny Dye

Customer Reviews

My MusingsThe saga continues in The Last Long Night of the Bregdan Chronicles Book 5. I am sure for the brave men who fought in the Civil War, the entire last year of the war must have felt like one continuous nightmare. What the Rebels endured that last year was beyond anything anyone could have imagined. They suffered one defeat after the other, near starvation, and a brutal winter. Ms. Dye paints a vivid and graphic picture of the siege of Richmond, along with the fight for the Shenandoah Valley, where Robert's plantation comes under threat of fire. At times the details are quite painful to read, but this episode is rich with astonishing historical detail. That is what I am enjoying most about this series. This book opens with Richmond again under attack and Robert Borden in the midst of the fighting. While the south again wins the battle, it is at a heavy cost, one that it can ill afford. Lee sends Robert to the Shenandoah Valley to join Jubal Early. There, another rout occurs that has the Rebels running for their lives, leaving Sherman to burn and destroy one of the last food supplies to Lee's army. After the defeat, Robert is given leave to find out if his home is still standing. When he arrives on the hill above his plantation, he watches the Yankees get ready to torch his barns and home with his mother on the front porch. The only thing that saves his plantation is Matthew Justin. He tells the captain in charge that the man who owns the plantation saved his life and helped him escape Libby Prison. This book ends with the surrender at Appomattox and the death of Lincoln. While I was fascinated by all the history in this episode, I do feel that most of the characters have become a bit sanctimonious. None of them have any flaws.
