Prayers Before An Awesome God: The Psalms For Teenagers

Synopsis

How can I incorporate the message of the Psalms into my own life? In *Prayers Before an Awesome God: The Psalms for Teenagers*, David Haas brings the joy of the Psalms to life in a language that teens can understand. Haas not only helps young people find meaning in the Psalms but also shows them how to incorporate the Psalms into everyday life. These Psalms can also be used for any occasion that calls for prayer in a group setting--a gathering, a youth ministry function, a prayer service, a retreat, a class. A special needs index, a liturgical index, and a ritual and sacrament index assist in locating specific prayers. The Psalms have never been so accessible to teens!

I LOVE this book! It has the Psalms re-written in today's language so that teens (and adults) can better relate to them and applying the Bible teachings to their own lives. I have used this book in many prayer services as well as leaving it out for the youth to delve into on their own. I purchased one for my personal use as well as a few for the youth ministry library at my church.

A wonderful interpretation of the age-old Psalms in words with which teens will feel comfortable. Great way for teens to talk to God through every emotion and up and down of their life and especially when they don't know quite how to do it. Makes the Psalms relevant for them today!

This book is truly awesome! As a religion teacher for teens, I have used it. But, I have also used it for groups of adults as a prayer and had great feedback. In fact, one adult borrowed my book and used it to pray each morning with her 8 year old! The prayers/psalms are written to speak to all ages.

This book has been used successfully with a group of 14-15 year old teens. They wanted a study they could discuss on their own. This is a pull-out public school study done in homes. It has met the need well.
