Customer Reviews

Over the years I have used many Bibles, different formats, different translations. This Bible has

been by far the most effective in learning exactly what the content of verses means. It has outstanding commentary by Jack Hayford. The word wealth entries absolutely opened my eyes into the words, their original meaning and how it could apply to my life today. This is my personal favorite part of this Bible. It really helped me understand context of verses so much better than ever before. It has an excellent concordance, that is extensive and helpful in finding help in word studies or finding a particular verse. I found it more extensive than most Bibles, and rarely had to consult another concordance in searching for specific scriptures. One of the more defining parts are the Kingdom Dynamics which teach spiritual concepts for our personal lives, and how to apply these to our daily living and growth in Christ. At the end of most books is truth in action. It offers Keys, steps and guidelines that break things down in a very understandable format, easy to absorb and use for practical application. This Bible has helped to transform my thinking in several areas, it not only opened up the scripture in a more defining and life changing way. It gave me practical down to earth tools, concepts and revelations to use in my daily life and walk before the Lord. I think you will find it a great tool in opening up the word of God to your spirit. It becomes personal and transforming. Something we all surely need daily in this troubled and divisive world. Where as many translations still leave you wondering, what did that mean? I believe this one will leave you thinking wow.. I never knew that.. thats great!
