After living a life that was planned for him the man was widowed he hoped to find happiness with another as he placed an advertisement for a Bride. The lady lived a life with her abusive husband until his death and was lonely after her children married. The characters wrote to the other and decided to wed. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters.

SYLVIA had two daughters that were as different as night and day. Rachel was her best friend. Kate, the youngest, was a brat. Their story is one of intrigue and love out west. Sonja Stover Bracey
