Customer Reviews

the book was great. However, it was received on 12/27 instead of 12/24 as was stated. According to a UPS inquiry they did not get the package in their hands until 12/26, although the labeling was done on 12/24. This means that the shipper was negligent in getting the product out on time despite the fact that expedited shipping was requested.

I love Ziggy! He is a great dog with a big heart.I don't have a dog, and I love dachshunds, so I thought it was the perfect book for me. And it was! Sometimes I think this book is a real story!!!

Ellen Miles writes really good books! I have read so many of her books and always ask my mom for more. If you love dogs, you'll love these stories.
