my 6-year-old daughter absolutely loves these books; I have had a hard time finding a series of books that she enjoys and we finally found one that she looks forward to reading - so happy! btw, I also do not mind reading these with her/I enjoy them (unlike some of the other books we have tried) which is also nice

Although I haven't read this book yet I'm sure I won't be disappointed. All the Heidi Heckelbeck

books I've read so far have been so cute! I read them with an 8 year old and I'm getting ready to introduce my granddaughter to these characters. They are funny and easy to relate to.

If you like magic then this book is for you! Heidi the witch is the main character. She has the sniffles and tries using her magic to get better. She cannot go to the Fall Festival with the sniffles. At first, she uses the wrong ingredients in her potion and talks like a frog--hilarious!! Things work out for Heidi in the end, but you'll have to read this book to find out how. If you are 6-7 years old you'll love Heidi Hecklebeck! She's a sweet witch with lots of friends who tries to do the right thing--even when Melanie Maplethorpe makes things terrible. by Sophie 6 years old

Heidi caught a snuffle at the worst time - during the Fall Festival! We sympathised with her being grounded and could not help laughing when her witchcraft went wonky and she had raspy croaks! This was the first time that we came across her mother performing magic to reverse her magic that went awry. We were touched by the efforts that her family and friends went to to create a "haunted house" to alleviate Heidi's disappointment of missing the haunted barn in the Fall Festival.

This is a great book and you should read it. It has funny and scary stuff in it. I didn't like it when Heidi Heckelbeck got sick and couldn't go to the carnival. You should get this book and read more of it.

My daughter loves the Heidi Heckelbeck series. Fun and entertaining.

This series is so fun. Heidi is a character that anyone can relate to. She might be like you, or like a sister, or like a friend. She's fun and entertaining. But, quite the little character.

Really good but a little sad when she does not do the spell right and then has frog voice. It is really good when you get to the haunted house part.
