Customer Reviews

It was a really manga to read if you are curious about it! I am only giving it four stars because I think that it was over way too fast. It would have been nice if the story longer. To see how the characters could have had more depth to them with a longer story. Even though I liked reading it. Thumbs up!

I love reading this Manga. I have the whole series. It was a great one that I will reread over and over. It was great. I hated that it ended

Great story line. Really cute romance with plenty of action along with it. Would definitely recommended to anyone for quick read

I hate how short this one was but it was still really good I just couldn't stop reading so sad it had to end after 4 books

I loved it so much. I will read it again. :DSuch a beautiful story. I will recommend to my friends!
