Customer Reviews

The book is adorable, the pictures are great! I bought the book as part of a baby gift and the mom loved it!

Very cute book! Bought it as a farewell message book for a friend and her son who was moving out of NYC.

Given to us as a gift and favorite of our toddler. It has been a favorite for almost a year now. Great drawings, fun content, lots to point out as the child gets older. Plus, babies love pictures (or drawings) of other babies.
