# Science Smarts For The Budding Scientists

## Synopsis

GREAT RESOURCE FOR STUDENTS AND EDUCATORS. 1000 Science questions from life science, earth science, chemistry, biology, geology, physics, and more. Questions follow the National Science Standards for grades four through eight with many more challenging questions for budding scientists of all ages. Format of ebook allows for competition, team study, or individual study and review. Answers to questions are found on the following page along with the new question. Educators can connect Kindle source to projector to allow for whole class participation. Increase science grades or just explore the amazing facts about our universe. Questions like: Flowers and fruit have seeds. What do ferns have? Ans. Spores What name is given to a wave's highest (or positive) and lowest (or negative) points? Ans.
