My Colors, My World/Mis Colores, Mi Mundo

Synopsis

Maya longs to find brilliant, beautiful color in her world. But when the wind blows, desert sand covers everything, and turns her whole neighborhood the color of dust. With the help of a feathered friend, Maya searches high and low to find the colors in her world. And she does in the vibrant purple of her Mama's flowers, the juicy green of a prickly cactus, the hot pink clouds at sunset, and the shiny black of her Papi's hair. As they follow Maya's search for all the colors of the rainbow, little readers will be inspired to look around and ask themselves, where can I find the colors in my world? This beautiful bilingual book of colors makes a perfect gift or read-aloud book for young readers learning to explore their world."

Customer Reviews

I love this book, I bought it because I wanted my daughter to have access to female children characters, I like the storyline, the pictures and the fact that both the English and the Spanish version have great rhythm not just a bad translation of each other. My daughter loves the story and the pictures also, but I mostly read to her in Portuguese.

Beautiful book for all ages. We have been reading this book to our daughters since they were born,

and they are now 3 & 5, and they still want to read it all the time!

The kids love it. Can't keep it in my classroom library because it goes home with a different student every evening

Excellent product.

Beautiful book.
