The Holy Spirit: Activating God's Power In Your Life (Swindoll Leadership Library)

Synopsis

Exciting, revolutionary power is available exclusively to you as a Christian . . . It is the supernatural power: To transform human nature To be the salt of the earth, and the light of the world To bring about a dramatic but peaceful revolution in those around you To face any crisis You cannot buy this extraordinary power, nor can you find it by searching the earth for it. As a Christian it resides in you already, an awesome gift from God that you have only to claim and use once you know and accept its Source. Christians are powerful people, Billy Graham reminds us in this inspiring and insightful book, because "we have the mighty power of God available to us through . . . the Holy Spirit," He comes to us with no conditions attached. Jesus simply said, "If I go, I will send Him to you." With prayerful reverence and focused wisdom, Dr. Graham puts an understandable face on this mysterious third Person of the Trinity: The Holy Spirit is "not an impersonal force, like gravity or magnetism. He is a Person, with all the attributes of personality. But not only is He a Person, He is divine as well He comforts us. Guides us. Sanctifies us. He tells His servants what to preach. He directs missionaries where to go. He helps us in our infirmities. . . ." Read this amazing book and see anew how this Person can transform your life and give you the power "to be truly good" and "to live victoriously."

I love how Billy Graham writes!! It is so simplistic and so very easy to comprehend. I also love how he gets to the point in the introduction when he says, "Man has two great spiritual needs. One is for forgiveness. The other is for Goodness." Then he doesn't stop there. He then informs us that, "God heard the cry for forgiveness, and answered it at Calvary. God sent his only Son into the world to die for our sins, so that we might be forgiven." This is what Billy has taught for years!! That salvation comes through faith in Jesus Christs' sacrifice 2000 years ago on an old rugged cross!! Oh, but it gets better. He then goes further to point out to you that salvation "is for everyone who reaches out and accepts God's gift by receiving Jesus Christ as his Lord and Saviour." Space does not allow for a complete and utter review of this amazing CHRISTIAN book. But one thing is for sure: it isn't about spiritual enlightenment. It isn't about reaching a spiritual high. It isn't about using any other way to activate the "revolutionary power" of the Holy Spirit any other way than by complete and utter repentance of sin and trust in Christ. Truly a wonderful and amazing book about the power of the Holy Spirit that is only inherited by CHRISTIANS who serve ONE GOD, and ONE GOD ONLY.

This wonderful book was a great comfort to me. The things Graham covers in this book make good sense, and he writes with authority. I think that many of us do not grasp the full potential of our Christianity, and the insights this book offers makes you think. Graham's writing is so gentle and moving.

As if attending a crusade event in person, the reader will find the always compassionate, passionate, and caring Billy Graham pleading for unbelievers to believe, believers to come to the fullness promised to them as children of God, and for those needing clarity on this important subject to hit THE BOOK and discover through the Holy Spirit what they need. As I read, I kept thinking, "I miss Dr. Graham." Then, I turned on the TV and one of his "classic" crusade presentations was on a religious channel. You sometimes forget what a great teacher, preacher, evangelist and pastor he was.GREAT, GREAT book that will bless, challenge, and inspire you to reach higher in your walk with the Lord.

This book opened up the Bible for me and made me look at my own life and behavior from a whole new viewpoint--that of the Holy Spirit. If you have questions about who He is, what His role is in the world and in one's life, then this is the book you must read. The work is backed up with Scripture and the integrity of Billy Graham's ministry.

We Christians are always speaking of The Trinity. I went my whole life so far--66 years--without really understanding the Holy Spirit and what He is all about--the answer is in Billy Graham's book The Holy Spirit. It is easy reading and all just fell in place after I read it. I have placed it in a prominent place to remind me to reread it periodically. He's one of the blessed three-in-one--better get to know Him!

Wonderful, thoughtfully written explanation of the Holy Spirit and how He can be, wants to be a part of our lives. Just what you would expect from Dr. Graham. I sent one to my Baptist deacon father and he asked for 3 more copies for friends.

I really have enjoyed the book. It's helping you to tap into the "Holy Spirit's " power. It's great to know you can continue to grow in your faith, and not have to settle for complacency.

This book is a good read for anyone who want to know more about God, the Holy Spirit. It explains the TRUTH surrounding the Holy Spirit, what he does for us, how to be filled, and the fruits of the Spirit. Very Biblical based.
