Zak Doolin's Gold

Synopsis

Spence Logan rode into Virginia City to look up a friend. The first thing he did was get in a gunfight saving a young woman from a man bent on doing her harm. Helping the black haired, blue eyed girl put him dead in the sights of Candi and Reg Doolin. He'd been in tight spots before, but he usually knew the reason why someone wanted to kill him. The reason was coming clearer as Spence finds himself being drawn deeper into a maze of secrets involving the blue eyed girl, a man on crutches, and a murderous woman all hunting for a dead man's trail to gold.

Customer Reviews

I would like to recommend this book to anyone who wants to read a very interesting and exciting book where the action never stops. I am finding these books to be very difficult to put down. I will be looking forward to reading the next book from this author.

It's nice to know that all of the bad guys aren't "Evil Genius", and that some of them are "Bumbling Idiots". Good to have Spence Logan on the good guys side.

Exciting western novel. Its a real thriller always expecting something else to happen.I would recommend it to western novel lovers.

great
