## Customer Reviews

I have been searching for an animal encyclopedia and when I saw this I thought it was exactly what I was looking for. It covers the surface of animals, but it was not nearly as in depth as I was expecting. If you're looking for a one-stop, everything-you-need book that covers it all, check out the Illustrated Encyclopedia of Animals by David Burnie. Unfortunately you can only get this from the UK, try .co.uk. It's so worth it.
