Customer Reviews

It was for a younger child than I had hoped! My grandson is a huge fan and he is 13. He likes it but not what I had expected!

When it comes to reading about or watching LeBron James and the Miami Heat, my grandson loves it. Also, I like to buy the used books, because I am (in a sense) recycling.

Slim and quick. This was a holiday gift for my son and a quick read for a fan that is not much of a reader :-))I also purchased a video... just incase *wink*
