## Customer Reviews

The stories are all very Christian-based. I am a professional storyteller and I need stories that appeal to a wider range so I can't really use it. I am going to give it as a Christmas present. I am somewhat disappointed and wished it had been advertised as a Christian book.

This is an adorable book of Christmas stories from around the world, five stories in all from diverse cultures. The illustrations are very colorful and primitive in style. I would recommend this book for ages 5-10. I bought it for our Lutheran church library, and am glad I did.
