Beginning In Jesus Participant's Guide: 6 Small Group Sessions On The Life Of Christ (Experiencing Christ Together Student Edition)

Synopsis

The Experiencing Christ Together Student Edition curriculum contains everything you need to facilitate small groups that want to learn more about Jesus, whether itâ™s a complete lesson or just some prompts to move your group along. This series gives you the chance to introduce your students to the godly, human, shocking, saving person of Jesus. Each book includes all the Scripture for a given lesson, the student-friendly commentary, and individual questions and experiences to deepen and strengthen a small group. This first book in the series, Beginning in Jesus, brings your group face to face with different character qualities of Jesus. Students will understand the many aspects of Jesusâ™ character: â€ Teacher: How and why is Jesusâ™ teaching so different? â€ Healer: Why does Jesus restore people? â€ Shepherd: How is Jesus leading and caring for his people? â€ Servant: Why is servanthood so important to Jesus? â€ Savior: What does it mean that Jesus is a savior? â€ Risen Lord: Why is it so important that Jesus really is the son of God? Beginning in Jesus lets students love more deeply, live more honestly, and develop their character in Christ as they help each other answer His call everyday.

Customer Reviews

I used this study to teach a high school and junior high Bible study. A lot of good material to pull from. the only down side is that they printed it to look hip so some of the pages are hard to read. I would continue this series.

My small group and I started this book 3 weeks ago and it's been good. There are a lot of resources in this book and it's really helpful. The only disadvantage is that I wish it contained an answer section, so that if we didn't know the answers to some of the bible study questions, we would have a guide and correct answer to it.

It was good, a little outdated, but principles and ideas were good and useful. Will be able to use illustrations.
