Creative Times With God: Discovering New Ways To Connect With The Savior (Simply For Students)

Synopsis

With Creative Times With God, Doug Fields breaks the mold on how students can dig into God's Word. Part devotional, part Q&A, part journal, part critical thinking exercises, and part woolly mammoth, it helps students who don't fit the regular mold to discover the Bible as the relevant, life-changing book it really is.

Customer Reviews

If you are trying to give your young/ pre teen a way to have a regular time with God this is a fun way to do it.

this is good because you can get it cheap, if you can find it. An old recourse but with a nice picture of Doug on the back cover with a mustachio. This can be a useful recourse but there are tons newer and better and easier to get to online, maybe even some out there that can be reproduced, this one can't without permission.
