Second Chance Ranch: An Inspirational Western Romance (Three Rivers Ranch Romance Book 1)

Synopsis

#1 Bestseller in Christian Western Romance, Military Romance, Western & Frontier Christian Romance, and Contemporary Christian Romance! Do Squire and Kelly have enough patience and faith to make their second chance possible? After his deployment, injured and discharged Major Squire Ackerman returns to Three Rivers Ranch, anxious to prove himself capable of running the cattle operation so his parents can retire. Things would be easier if the ranch wasn't missing 1.6 million dollars, which forces Squire to hire Kelly, the girl who rejected his high school prom invitation, as his accountant. She's back in town with her four-year-old son, living in her parent's basement until she can get her life back together. With fresh ink on her divorce papers and open gashes on her heart, she's not ready for much beyond her new job on the ranch. Squire wants to forgive Kelly for ignoring him a decade ago. He'd like to provide the stable life she needs, but with old wounds opening and a ranch on the brink of financial collapse, it will take patience and faith to make their second chance possible. For fans of inspirational western romance authors Kimberly Krey, Becky Wade, and Denise Hunter. Themes/Topics>Clean & Wholesome romance>Contemporary romance>Western romance>Cowboy romance>Military romance>Second chance romance>Romantic suspense>Texas ranch, divorce, PTSD, some mystery elements, forgiveness, acceptance, love

Customer Reviews

This was a book I could not put down! Squire Ackerman has returned home after his tour of duty injured physically and emotionally. He's trying to save his family ranch without telling his father exactly how badly their last financial adviser has hurt them. But his father hires Kelly as their new accountant---the one woman Squire hasn't been able to forget. Kelly is trying to move on from a divorce, living with her parents until she can save enough money of her own to support her and her four-year-old son. When she gets the job at Three Rivers Ranch she's ecstatic because that will help her do that, until she comes face-to-face with Squire again. He was her best friend's little brother, but he has turned into so much more. She tries to quash her attraction to him since he's her boss and the last time she got involved with her boss it ended in divorce. But circumstances throw them together again and again and their feelings are too hard to ignore. But should she follow her heart and risk being hurt again? I loved these characters and the inner turmoil they were both experiencing drew me back again and again to see how they would deal with it all. I loved how Squire had always been drawn to Kelly, but a misunderstanding at the prom had forced him to try and forget about her. Yet, when it came right down to it, she was the woman he needed all along. Kelly was so relatable as a single mom trying to do right by her kid and piece her life back together. She didn't inspire pity in me at all, though, because she was doing what so many women have to do---pull herself up by her bootstraps and do her best for her child. I loved the relationship tension building slowly and surely, it wasn't an insta-love, but two mature adults trying to figure things out. The description and setting were spot on and I know I'll be looking for this author's next clean inspirational romance!

I absolutely love a story about second chances and this one delivered! Squire is recently returned from the military, where he was honorably discharged after an injury. Hats off to those who serve in the military because I don't think I could do it and I truly appreciate all that they do for our country. I love that Squire is a deep character. He's working through issues resulting from his service, as well as trying to balance his wants and his duties for the future. He's a great all-around guy, if a little grumpy at times. When Squire discovers a large sum of money missing from the ranch, he hires an

accountant and the only applicant is a girl who jilted him back in high school--Kelly. She's back, recovering from a divorce, and trying to get on her feet again. I really like Kelly and she's the kind of person I would love to have for a friend. She tries hard to make good impressions and to come off strong, but she's only human. Misunderstandings and mistakes happen and she's not afraid to own up to them...eventually. She has a darling son and I love his place in the story. I love the interactions these characters have with each other, with their families, and with other residents of the town. Speaking of the town, the setting is fabulous and makes me wish I lived in a place such as this. I love the added dash of mystery that brings this clean romance to a new level. This description says this is Book One and I'm definitely looking forward to more books in this series! As it also says in the description, if you're a fan of any of those authors listed, you'll be sure to love Liz Isaacson's work!*I received a copy in exchange for an honest review*

I love reading books where the characters are given a second chance at love and this one didn't disappoint! Squire and Kelly didn't actually date in high school--he's the younger brother of her best friend. She did, however, reject his invitation to go to the prom together. Only, there's a little more to that story. Kelly just got hired as the accountant for Three Rivers Ranch, the one that Squire's family owns. Squire lets her know there's a large amount of money missing but he's kept this fact from his parents. They work long hours together to try to locate the money since his family desperately needs it. They also try to deny their growing attraction to each other and need to clear the air if they want their relationship to work. Squire and Kelly were both easy to love! Kelly is reeling from a divorce she didn't see coming and has trust issues to deal with. She also has a four-year-old son to take care of and protect. Squire has issues, too. His life hasn't gone the way he had planned and he has some decisions to make about what he wants to do. He also needs to decide if Kelly will be part of his future plans. I loved how their relationship grew! They were cautious yet willing to try. This is Christian romance so it's clean (yay!) and does have some religious references but isn't preachy and works well with the story line. It's a fun, quick read and is exactly what I needed last week. I'm looking forward to reading more from this author in the future! I received a copy of this book to review. My opinion is 100% my own.

A wonderful romance that was inspirational in more ways than one! First of all, the synopsis does an excellent job of setting up the tension in this story from the very beginning: A man scorned by the woman of his dreams years ago, and now she is back in his life, all day, every day. I was GLUED to this book waiting to see how the inevitable confrontation surrounding that event would play out!!

liked reading Squire because he was realistically damaged. A war veteran with PTSD and a broken heart, he needed someone special to love and understand him. He needed that person to be Kelly. Kelly was also damaged and had some trust issues as a result of a past betrayal. Needless to say, these issues made for some intense conflicts with Squire. The book talks about God and faith, but it wasn't over-the-top or too "in your face." Rather, those elements were inserted into the story as they might come up in every-day, real life by way of going to church, etc. Kelly and Squire must work together to find the 1.6 million dollars that went missing from Three Rivers Ranch. Ultimately they do solve the mystery, but the way it ended was VERY unexpected! I enjoyed that twist in the story. All in all, this was a very good, sweet romance novel, and I think this will turn into a wonderful series!***I received a copy of this book in exchange for an honest review***
