# My Book Of Worship Notes

## Synopsis

Are you looking for something to help your child participate in the worship services? This book of note pages provides space to take notes in worship for one solid year. Now they can pay attention to prayers, and announcements, and then take note of people to pray for at home. They can listen to the sermon, take notes, write down scripture references, and draw a personal application of the lesson. With space to date each set of notes, your kids can look back over the year, and review lessons that were especially meaningful to them. Make a habit of bringing this book to worship with your Bible, and never be without note pages again!
