Customer Reviews

When my sister in law told me that she had purchased a set of Nancy Drew books for my daughter, I was torn. On the one hand I was thrilled, but on the other, I had to wonder if Nancy Drew wasn't a bit too advanced for a seven year old. How overjoyed was I when I realized that Nancy Drew had been revived as an elementary school student! Awesome! My daughter absolutely love these books! She literally devoured this set of five, and now, owns the first twenty books in the series. The titles included in this box set are; Sleepover Sleuths (Nancy Drew and the Clue Crew #1), Scream for Ice Cream (Nancy Drew and the Clue Crew #2), Pony Problems (Nancy Drew and the Clue Crew #3), The Cinderella Ballet Mystery (Nancy Drew and the Clue Crew #4), and Case of the Sneaky Snowman (Nancy Drew and the Clue Crew #5). In each book, Nancy teams up with her

best friends, cousins George and Bess, to solve a perplexing mystery. Nancy, Bess, and George are now in third grade and have begun cutting their teeth as sleuths on simple, age appropriate mysteries.
