Simple Church: Returning To God's Process For Making Disciples

Synopsis

The simple revolution is here. From the design of Apple products to Google's uncluttered homepage, simple ideas are changing the world. Now in paperback, multi-awarded #1 national bestseller *Simple Church* guides Christians back to the simple gospel-sharing methods of Jesus. No bells or whistles required. With insights based on case studies of 400 American churches, Thom Rainer and Eric Geiger prove the disciple-making process is often too complex. Simple churches thrive by taking four ideas to heart: Clarity. Movement. Alignment. Focus. *Simple Church* examines each idea, clearly showing why it is time to simplify. This updated trade paper edition includes a new chapter with further insights the authors have gained through hundreds of conversations with church leaders since this landmark book's original release.

Book Information

Paperback: 296 pages

Publisher: B&H Books; Upd Rep edition (June 2011)

Customer Reviews

Thom S. Rainer is president and CEO of LifeWay Christian Resources, one of the largest Christian resource companies in the world. He is also a best-selling author and leading expert in the field of church research. Rainer and his wife, Nellie Jo, have three grown sons and three grandchildren and live in Nashville, Tennessee. Eric Geiger serves as executive pastor of Christ Fellowship, a large and growing multicultural church comprised of more than seventy nationalities near Miami, Florida. He and his wife, Kaye, have one daughter, Eden.

Based on a study of 88 churches, this production discusses the concept of simplicity as it relates to

spirituality. The authors compare church attendance to inviting guests into one's home. In a melodious baritone, Grover Gardner delivers their description of how guests arrive in the entryway, which is like the church foyer. They then liken guests in the living room to church attendees sitting in pews for a sermon. When the house guests become friends, they say, they're invited into the kitchen, and they liken that to attendees joining the church and becoming involved with the ministry. Gardner narrates with full attention to details as he interprets the authors' urging that churches return to simple methods of sharing the gospel. G.D.W.
