Synopsis

Immediately. Letâ€™s go. Right away. Now. Get up. Then â€¦ | Markâ€™s narrative moves quickly and you sense the action in the story of Jesusâ€™ life. Itâ€™s teaching presented as the gospel â€” “good news powerfully announced in a world of bad news. The Gospel of Mark highlights Jesusâ€™ unparalleled spiritual power and authority, leading us to consider for ourselves the question, “Who do you say that I am?” (Mark 8:29)â€” The Gospel of Mark: the Jesus weâ€™re aching for partners the compassion of Jesus with the passion of Christ. This study is broken into 7 sessions, but instead of days, each session is segmented with 4 subheadings: Real Life, Real Truth, Real Ache, and Real Hope. Because of this format, there is no specified amount of work one must complete in a single sitting. While the homework segments take a look at specific portions of Mark, Lisa also ties in truths from other books within the Bible. Additionally, each weekly homework section concludes with a page or two of supplemental information covering various topics such as: The Gospel of Mark: An Introduction, The Soils of

Israel, Jesusâ™ Healing Ministry, Divorce In First Century Israel, Temple Merchants, Roman Crucifixion. For those choosing to host a small group, beginning on page 156 of the study, there are leader helps for each chapter. Additionally, individual video sessions are available for purchase on the LifeWay website. How will you know if this is the study for you or your group? Perhaps these questions will help you decide:- Has lifeâ™s circumstances created within you a sense of aloneness?- Do you feel invisible?- Are you longing for someone to notice you?- Do you know that Jesus wants a relationship with you?- Are you attempting to fill the hole in your soul with people, substances, or behaviors?- Do you want to learn more about the heartbeat of Jesus?- Did you know Jesus had a mission statement that involves you? Even when you feel invisible, Jesus sees you. In fact, He loves you. And, He wants you to develop an intimate relationship with Him. Working through The Gospel of Mark study by Lisa Harper will help you discover the Jesus that we all ache for.

This is an incredible study for anyone looking to know Jesus more or get to know Him for the first time. Lisa Harper does an amazing job of leading through the Gospel of Mark with great heart provoking questions. She helped to understand this Gospel more clear and I could relate to every story she shared throughout the study. I highly recommend this book! This is one study I will do multiple times in my life I guarantee you on that!

We learn a lot about Lisa and her sweet heart. We hear inspiring stories. I wouldn't call it a Bible study, though, as she tends to use the Bible to make her own points rather than stick to what the Bible is saying. Many times throughout the study I have wished she'd focus more on what the Bible says than going back to her own stories.

Great study and the DVD is exceptional. Lisa Harper is gifted at teaching the Word in a way that we can relate to it in our daily life. Her humor, love and passion as a follower of Jesus, and conviction is inspiring, entertaining, and helps us understand the Biblical context as it pertains to our life today.

So excited about this study.. in depth truth teller Lisa Harper brings us all along for a journey into the Gospel of Mark and we don't leave the same! Highly recommend this study for anyone desiring a closer walk with Jesus and His promise of healing in all areas of our lives..

This is a great study for anyone from those just starting in a study to those wanting to dig in deeper.

I have really been able to pull things out that I never thought about before or didn't really pay attention to before when reading the Bible. Lisa has done an excellent job with the writings in it and the questions and explanations. I highly recommend it.

Absolutely love Lisa Harper and this study. "The heart of God is moved by the wounds of man". Beautiful look at our Savior. I recommend it to not only individuals but groups (large or small).
