Language: English

ISBN-10: 0130236411

ISBN-13: 978-0130236418

Product Dimensions: 8.6 x 0.2 x 10.9 inches

Shipping Weight: 8 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars (See all reviews) (5 customer reviews)

Best Sellers Rank: #711,017 in Books (See Top 100 in Books) #85 in Books > Children's Books > Education & Reference > Math > Algebra #1284 in Books > Textbooks > Education > Secondary Education #1861 in Books > Education & Teaching > Studying & Workbooks > Workbooks

Age Range: 6 - 12 years

Grade Level: 1 - 12

Customer Reviews

I gave the book 4 stars out of 5 because it wasn't a little dirty and I had to clean it up. I thought that the book should've arrived a week or two sooner. It would have helped me a lot if I had it a bit sooner for my class. I am happy that I have the book now. I love this book very much! Very helpful, well written Math book...especially Algebra in particular. That is partially why I wanted to own it. I did not like how my book was mailed to me...shouldn't have been in a box and protected, it was unprofessional in my opinion. I have usually nothing but great things to say about and overall is incredible. Hope these things will be improved. Thank you!

bought this to brush up on my algebra. ill be using it to teach my 2 year old child when she grows a lil older to where she's able to understand math

This book has helped me so much in my SpEd high school classes. I use it all the time and love it.

decent review of concepts

Good product
