King Baby

Synopsis

All hail King Baby! He greets his adoring public with giggles and wiggles and coos, posing for photos and allowing hugs and kisses. But this royal ruler also has many demands, and when his subjects can't quite keep up, King Baby takes matters into his own tiny hands. Created by Kate Beaton, author of *The Princess and the Pony* and #1 New York Times bestsellers *Hark! A Vagrant* and *Step Aside, Pops!*, this modern, funny, and (let's be honest) realistic take on life with a new baby is the perfect gift for anyone with an adorable little monarch in their world.
