Customer Reviews

My grandson LOVES this book! He is a big b-ball fan and needs coaxing to do his regular reading. This has really helped him to read more and he usually reads aloud to me, telling me all about these famous b-ball players. Highly recommend it for young b-ball fanatics to get the reading!

My fifth-grader grandson was thrilled with his book. Younger brothers were drawn in as well. -- The book seems to be of good quality with clear full-color photos.

This book arrived in great condition! No scratches or bent corners. My nephew loves it and has not put it down since he got it! Will be buying more!
