First off, I think it's pretty obvious that I'm a Stormie Omartian fan. I've read several of her *Power of a Praying...* books and I plan to continue to read more. She's helped me tremendously on my journey to a better prayer life. I sought out *The Power of Prayer to Change Your Marriage* when my husband and I hit a bump in the road in our own marriage (what marriage doesn't have those?) and despite having *The Power of a Praying Wife*, I felt like I needed something different--something more. And so I ended up getting *The Power of Prayer to Change Your Marriage*. As with the other *Power of a Praying...* books that I've read, I took this one slow in order to maximize information retention. And there came a point where our marriage felt more stable and secure and I didn't feel the urgent need to press on in the book like I once did, so I put it down for a spell. The wonderful part

about this book is that you and your marriage don't need to be struggling in order for you to benefit from this book. Ms. Omartian's books usually follow the pattern of a different topic per chapter. Within the chapter, she discusses the topic at length and provides a sample prayer and scripture (Promises from God) on the subject. But *The Power of Prayer to Change Your Marriage* went another step. She included three prayers at the end of each chapter. The first prayer was always a Prayer of Protection. This prayer is designed to protect you, your spouse, and your marriage from experiencing this particular problem to begin with. Or if you both struggle with the issue, it helps to cover you both in this area. Next was a Prayer for Breakthrough in Me. This obviously covers if you are the partner struggling with the topic of the chapter.
