Customer Reviews

We have several from this series. They are beautiful -- photos and text lay-out -- and in very high-quality paper. This would make a lovely gift, or a hand-me-down sort of book for the home (I'm inclined to keep ours for my kids' kids).

These are the best books for anyone who wants to either learn Spanish or who wants to brush up on their Spanish. It is also a great way to introduce the stories to children.
