Unicorn Vs. Goblins: Another Phoebe And Her Unicorn Adventure

Synopsis

Not every kid skips a rock across a pond and winds up with a unicorn best friend, right? The popular friendship of Phoebe and Her Unicorn is back for a third collection of adventures so heavenly they had to be shared. School's out! That means no more teachers, no more books, and lots of time to compliment Marigold Heavenly Nostrils on her good looks. In this third volume, Phoebe and her obligational best friend, Marigold, learn that summer still has plenty of surprises for the both of them. All of our old friends are back! Phoebe's part-time "æfrenemy" • Dakota, upon whom Marigold has bestowed sentient hair, Phoebe's goofy parents, and even Lord Splendid Humility (but please, ignore his magnificence if you can)! Have fun as Phoebe and Marigold continue the "æPhoebegold Detective Agency," spend a week at Wolfgang Music Camp, and find themselves in more misadventures, thanks to Marigold's enchanted sparkles! Along the way, Phoebe makes some new friends, such as Sue's "her unique clarinet-playing bunkmate, Florence Unfortunate Nostrils, Marigold's estranged sister, and Camp Wolfgang's lake monster who enjoys tacos and Wi-Fi. When school resumes, read along as Phoebe enjoys (or suffers from) a brief case of popularity, mentally catalogs her grievances against dodge ball, and, with Marigold's help, rescues Dakota and her hair from the queen of the goblins. Through these wacky adventures, Phoebe and Marigold learn that their friendship is the second most magical thing of all, after Marigold's beauty, of course. Includes an introduction by Cory Doctorow and his daughter Poesy!

Customer Reviews

I received a copy of this book from Netgalley/the publisher in exchange for an honest review. I might not have been familiar with the Phoebe and Her Unicorn series before receiving the opportunity to read this book, but my oldest daughter has read both of the other books in the series. In fact, she was the one who sat down to read Unicorn vs. Goblins before I got the chance. Phoebe and Her Unicorn is a graphic novel series by Dana Simpson featuring a young girl named Phoebe and her best friend, a magical unicorn named Marigold. Unicorn vs. Goblins contains several connected storylines, including a trip to music camp, the start of a new school year, and a showdown with those titular goblins. My daughter is a big fan of graphic novels. She is an advanced reader, but up until recently, she has been reluctant to read anything other than graphic novels. She's on the autism spectrum, and I think she appreciates having the illustrations to go with her story. She has introduced me to many different series, and this is probably one of the cleverest that I've encountered. I was pleasantly surprised at the humor; it's snarky, and snide, and it's right up my alley. I can see why my daughter likes it too. She has reminded me that we picked up the first two Phoebe and Her Unicorn books during a Kindle sale at the end of last year. I know what I will be reading next! I would absolutely recommend Unicorn vs. Goblins to middle grade readers. My daughter is also a fan of Calvin and Hobbes, Peanuts, Big Nate, Raina Telgemeier, Hereville, and Wimpy Kid, so I would imagine that there would be a lot of crossover with the fan base. I love that my daughter is being exposed to comics/graphic novels with a female protagonist, and I love that this book is family friendly.
