Wayside School Boxed Set: Wayside School Gets A Little Stranger, Wayside School Is Falling Down, Sideway Stories From Wayside School

Synopsis

A Crazy Mixed-up School. There'd been a terrible mistake. Wayside School was supposed to be built with thirty classrooms one on top of the other...thirty stories tall! (The builder said he was very sorry.) That may be why all kinds of funny things happen at Wayside School...especially on the thirteenth floor. You'll meet Mrs. Gorf, the meanest teacher of all, terrible Todd, who always gets sent home early, and John who can read only upside down--along with all the other kids in the crazy mix-up school that came out sideways. But you'll never guess the truth about Sammy, the new kid...or what's in store for Wayside School on Halloween! There was a terrible mistake--Wayside School was built with one classroom on top of another, thirty stories high! (The builder said he was sorry.) Maybe that's why all kinds of funny things happened at Wayside--especially on the thirteenth floor.

Customer Reviews

This set, 'Wayside School Boxed Set' is also known as 'The Wayside School Collection' and contains all three of the "real" books in the 'Wayside School' series. 'Sideways Stories From Wayside School', 'Wayside School is Falling Down' and 'Wayside School Gets A Little Stranger' are as entertaining as they always were. The price is very good and you even get the three boxes together in a box. Please note that you do not get the Wayside Arithmetic books, which really were

for more devoted fans and did nothing to enhance the actual storyline found in the three major/main books. The only problem I had here was with the illustrations. I grew up reading the 'Wayside School' books, as they were illustrated by Julie Brinckloe. For years, I had a very clear picture of all the characters from Wayside School. Brinckloe's illustrations were very good at making the characters match Louis Sachar's descriptions. They've been stuck in my head for fifteen to twenty years. These three titles in the 'Wayside School' box set are illustrated by Adam McCauley and the difference is startling. I have a hard time warming up to the new (and inferior) artwork. Even though I like having the three books in a tidy little set, I definitely prefer Brinckloe's illustrations of the Wayside gang. Everybody knows that Louis Sachar's humor was the real calling card for the 'Wayside School' series and not the pictures. However, you may want to stick with earlier copies of these books if you grew up looking at Julie Brinckloe's illustrations, as I did. Adam McCauley's illustrations are inferior in every way. The drawings are more juvenile and they don't look much like the original characters. Don't get me wrong.
