Dare Greatly: A High School Girl's Bible Study On Thriving In Your Teens (Just Us Girls Bible Studies Book 2)

Synopsis

From the author of *Just Us Girls: A Bible Study on Being God's Girl in Middle School* comes a new 10-week Bible study for teenage girls. Want more than an average life? Guess what? You were created to Dare Greatly. School. Eat. Sleep. Repeat. Sound familiar? In high school, our lives fall into the same nerve-wracking pattern, but what if it didn't have to be that way? What if stress and fear didn't dictate our decisions? What if we dared to do great things for God, not someday, but right now? Because we were never meant to be "okay" girls living "okay" lives. You are God's warrior. His secret weapon. His game-changer. This Bible study is more than a survival book for high school. Dare Greatly is a guide to discovering our God-given potential in our crazy, stressed out, homework-driven life. Because in Him, we have the ability to: Live Our Lives Exceptionally Conquer Our Fears Courageously Run This Race of Faith Dauntlessly And Dare Great Things for the Kingdom of God. You don't have to wait until you graduate high school to change the world. It starts right now. So grab your Bible, grab your pens, and jump in. I dare you, beloved. I dare you to Dare Greatly.

What Teen Girls are Saying About Dare Greatly:

- This Bible study covers everything from boys to stress to sharing your faith, and it's really inspired me to grow closer to God, to achieve His standards instead of anyone else's. In short, this is a teen girl's guide to attaining her God-given potential.
- Elizabeth, Age 17: I adored a lot of things about Dare Greatly. My favorite part was that every chapter was connected to a real-life story or situation, which kept the chapters incredibly relatable. LOVED every moment of it!
- Peyton, Age 14: I really enjoyed Dare Greatly, and I thought it had a lot of great knowledge and things that I could easily apply to my own life.

Customer Reviews

I had the opportunity to read through this teen girls' bible study by Hannah Duggan, and it was just mind-blowingly amazing. You could really sense the author's passion coming through in what she wrote. The entire bible study was sprinkled with engaging stories and challenges. In case you can't tell, this definitely inspired me to "dare greatly" and to grow closer to God. It's an amazing wakeup call in the midst of a life of busyness.

I love how this book challenges girls to step up. Dare Greatly is fun, fast paced, and meets girls right in the challenges that they are facing in today's society. The author talks to the girls like they are

smart and capable young women. Because there are 5 days of devotions between the chapters, it's a great book to do as a weekly Bible study with your small group. Highly recommend!
