Customer Reviews

Special type of paper allows you to hang your picture up on a window, making your picture look like a stain glass picture. Verses are taken from the King James Version of the Bible. There is some intricacy in the pictures but they are not nearly as intricate as most adult coloring books! Received this book in a timely manner and in "new" shape.

Love the stained glass look. Fun to color with markers and chalk markers. Crayons and colored pencils can be used but I find the richness of the pages, when held up in light, are prettier with markers.

I am excited to use this book with my 4th grade class at church. Not only can they memorize the

words of these Psalms but they can use all modalities of learning. visual, auditory, and kinesthetic.
Great book

These are tissue thin sheets of paper that you put on a window after coloring. I didn't realize that. I am giving it away to someone who enjoys that. The designs themselves are very nice and encouraging.

Wonderful teaching tool for use with "memory care" folks. Mixture of art and religion. Who doesn't love the psalms?

Wonderful way to relax and reflect on Scripture.

Love these stained glass for coloring books! This one is my fave so far. Liked it so much that I bought one for my 77 year old mom too. She loves it too! An enjoyable and creative way to destress.

love this book. If you haven't tried it yet, you should! It is relaxing and fun and you'll be excited with the finished picture. I used the 24 piece Sharpie markers, but it is up to you what you'd like to use.
