Romans The Letter That Changed The World - Daylight Bible Studies Study Guide

Synopsis

Brilliant. Counter-cultural. History-shaping. With blazing clarity, Paul's letter to the early churches in Rome revealed both the transforming light of the gospel and the darkness of the surrounding world. Romans: The Letter That Changed the World takes you to a land of the Bible much bigger than you've imagined to the vast sweep of the ancient Roman Empire and the cradle of the newborn church. With Mart DeHaan and Jimmy DeYoung, wander the ruins of Scythopolis. Marvel at the imposing arches of the aqueduct. Explore a stone dungeon in the capitol city of Rome. And discover just how radical a message Paul's letter to the Romans really was why it has inspired both hope and conflict through the centuries and why today it continues to challenge our culture and change hearts and lives. 12 lessons total. DVD & Leader's Guide sold separately.

Our Bible study group was looking for a study to tie history with Biblical truths. This is a well presented video and study that doesn't require excessive planning or study time, but it is thought provoking in the questions presented for guided discussion making it relevant to today's world.

This guide was helpful with the DVD. There just wasn't enough in-depth information in all of it. Our group wanted more than just an overview of Rome.

This is and was the Paul's most famous that tell it like it is for ALL Christians. This is a book that

leads you to the throne of Jesus
